Ordinance No. 024196 Council Bill No. B 61-20

**AN ORDINANCE**

determining it is in the public interest to construct improvements to the solid waste collection site located at 912 E. Walnut Street; approving and adopting plans and specifications; determining that the work shall be done by contract; authorizing the Purchasing Division to issue a contract for a portion of the work utilizing a duly authorized term and supply contractor; authorizing a portion of the improvement project may be done by city employees; providing for payment for the improvement; authorizing the City Manager to obtain, execute and record all documents necessary for the improvement; providing for compliance with the prevailing wage law and state-mandated construction safety training; and fixing the time when this ordinance shall become effective.

WHEREAS, an interested parties meeting for the proposed construction of improvements to the solid waste collection site located at 912 E. Walnut Street was held by the City Utilities Department – Solid Waste Division on November 7, 2018; and

WHEREAS, the City Council adopted a resolution declaring the necessity for the proposed construction of the improvement project; and

WHEREAS, the notice of a public hearing on this project was published in a daily newspaper of general circulation in the city; and

WHEREAS, the City Council has held a public hearing on construction of the proposed improvement.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBIA, MISSOURI, AS FOLLOWS:

SECTION 1. The Council finds that the construction of improvements to the solid waste collection site located at 912 E. Walnut Street in the City of Columbia, Missouri, is necessary for the welfare and improvement of the city and that it is in the public interest that such improvements be made. Specific improvements include the following:

1. Installing refuse and recycling collection facilities;

2. Replacing approximately 480 square feet of existing asphalt pavement with concrete pavement;
3. Installing electric service for the refuse compactor; and
4. Installing a fence to restrict vehicular access and for aesthetics.

SECTION 2. The plans and specifications for this improvement, as prepared by the Director of City Utilities, are hereby approved.

SECTION 3. A portion of the construction of the improvement shall be done by contract in accordance with the plans and specifications, the laws of the State of Missouri, and the Charter and Ordinances of the City of Columbia, Missouri.

SECTION 4. The Purchasing Agent is hereby authorized to execute a contract for a portion of the improvement project with a duly authorized term and supply contractor. As deemed advisable by the City Manager, city employees may be used to construct all other improvements.

SECTION 5. Payment for this improvement shall be made from Solid Waste Utility funds and such other funds as may be lawfully appropriated.

SECTION 6. The City Manager is authorized to obtain, execute and have recorded all licenses, easements, deeds and any other conveyances or instruments necessary for the City to complete this improvement.

SECTION 7. Pursuant to Section 290.250 RSMo., the contract for the improvement project shall provide that not less than the prevailing hourly rate of wages, as found by the Department of Labor and Industrial Relations of Missouri, shall be paid to all workers performing work under any contract in excess of \$75,000.00. The contractor's bond shall guarantee the faithful performance of the prevailing hourly wage clause in the contract.

SECTION 8. Pursuant to Section 292.675 RSMo., the bid specifications and contract for the improvement shall provide that the contractor and any subcontractor shall provide a ten-hour Occupational Safety and Health Administration construction safety program (or a similar program approved by the Missouri Department of Labor and Industrial Relations) for all employees working on-site. All employees working on the site of the improvement are required to complete the safety program within 60 days of beginning work on the improvement project.

SECTION 9. This ordinance shall be in full force and effect from and after its passage.

PASSED this 6th day of April, 2020.
