Re: Amending a Social Services Agreement with Job Point

## Executive Summary

A resolution authorizing the City Manager to sign an Amendment No. 1 to the agreement between the City of Columbia and Job Point for the purchase of employment services.

## Discussion

In2Action has terminated an agreement with the City of Columbia for the purchase of employment services for persons re-entering the community from incarceration. Additionally, the City of Columbia has opted not to renew an agreement with the Youth Empowerment Zone for employment services for low-income, young adults with barriers to employment. Service to these populations will shift to Job Point, which is currently contracted by the City of Columbia for employment services for low-income residents with barriers to employment.

The amendment will increase the total allowable compensation for program services under the agreement with Job Point from \$61,000.00 to \$89,936.00 to purchase three additional employment services: job placement, career exploration, and personal development.

## Fiscal Impact

Short-Term Impact: Funding for these contracted services was appropriated in FY2018. No additional appropriation is necessary.

Long-Term Impact: None.

## Strategic & Comprehensive Plan Impact

### Strategic Plan Impacts:

Primary Impact: Social Equity, Secondary Impact: Economy, Tertiary Impact: Public Safety

### Comprehensive Plan Impacts:
