Hello Ross,

After some thought, I would like to formally request that my appearance before the Columbia Planning and Zoning Commission regarding my application for a short-term term rental permit for 5406 Genstone Way be tabled until the Thursday, February 6, 2025 meeting so that I can appear in person and answer any questions they may have personally. Please let me know if there are any questions.

Thank you,

Courtney Pulley  
Owner
