Council Meeting Date: January 21, 2025

Re: Accepting a conveyance for electric purposes: accepting Stormwater

Management/BMP Facilities Covenants; directing the City Clerk to record the conveyances.

Executive Summary

The City accepts utility conveyances for different reasons. First, all City owned utilities (electric, water, sewer, and storm water) are required to be placed in easements by ordinance. Generally, these easements are provided on plats of property, however, when utilities are being installed on properties that do not have existing easements, these are provided by the conveyance documents being accepted. In addition to the permanent easements, the City acquires temporary easements for construction purposes to allow for use of larger areas only during the time of construction of a project. Sewer and water mains installed by the development are deeded to the City via a deed of dedication or quit claim deed. Finally, the Stormwater Management/BMP Facilities Covenants are required by the storm water regulations.

This ordinance is to accept the below conveyances for utility purposes:

Discussion

Electric:

GRANT OF EASEMENT FOR UNDERGROUND ELECTRIC UTILITY PURPOSES associated with extending UG3P and installing service to the Thompson Center located at 701 Veterans United Drive from The Curators of the University of Missouri dated December 19, 2024.
