Re: Extension of YAC Meetings through Summer Months

Executive Summary

Staff correspondence in regards to a letter from the Youth Advisory Council to meet through summer months.

Discussion

This past year the Youth Advisory Council has worked incredibly hard to provide resources for the Youth throughout the City. In order to keep their momentum going, they want to let Council know that they will be meeting through the summer months.

Staff sees this as appropriate and supports this. Numerous discussions had been held about what else could be accomplished and the potential conflict of summer vacations resulting in a lack of quorum. The current YAC feels that there would be no problems and greatly support this.

Currently there is nothing in the establishing legislation of YAC prohibiting them from meeting in the summer months. Under Section 2-363, in regards to meetings; quorum; attendance it currently states that:

(a) The youth advisory council shall hold meetings a minimum of once each month throughout the school year, at a time and place to be determined by the youth advisory council, and any such special meetings as called for by the chair. A majority of the members shall constitute a quorum for the transaction of business.
