Re: Tabling Request – Cases # 124-2026

The above referenced case is being requested to be tabled to the June 11, 2026 meeting by the City of Columbia. A revised traffic memo was submitted in the late afternoon of May 26 and was unable to be reviewed by relevant city personnel. This additional 1-week tabling will allow for this review to be completed and an updated staff report to be completed.

This would be the 2nd tabling request with respect to this project. If approved, no new notice will be distributed; however, the public hearing sign on the property will be updated with the new hearing date.
