Downtown CID Proposed Slate with Alternates

Dear Mayor Treece and Council Members,

The Downtown CID Board respectfully stands by the initially submitted slate of five board candidates sent on November 12th. The Board worked hard to find great qualified candidates and would like to honor those candidates voted on by the Board of Directors.

In accordance with the appointment process detailed in the voter approved Petition that established the Downtown CID, the following is the timeline for Appointment of the Board of Directors:

- i. "The Board of Directors shall submit to the Mayor a slate of proposed successor directors . . ."
- ii. "Within 30 days of receiving the slate, the Mayor shall either approve the slate and seek consent of same from the City Council at the next regular meeting of the City Council or return the slate to the Board of Directors with a request for alternates for any or all of the Board positions identified on the slate."
- iii. "Should the Mayor return the slate to the Board within such 30-day period, the Board of Directors shall resubmit the slate to the Mayor with 2 alternates for each of the Board positions requested by the Mayor."
- iv. "Within 10 days of receiving the resubmitted slate, the Mayor shall choose from the alternate(s), approve the slate, and seek consent of the City Council at the next regular meeting of the City Council."

Therefore, the Board of Directors resubmits its slate with an alternate slate of candidates for Council consideration to serve from 2022-2025 and an alternate slate of one board candidate to complete resigned seat from 2022-2024. We respectfully request that the Mayor follow the voter approved process and select from the alternates (if he chooses), approves the slate, and seeks consent of the City Council.

Please let me know if I can provide additional information or answer any questions.

Thank you for your time,
