Re: Setting a Hearing: 2016 Consolidated Annual Performance Report (CAPER)

Executive Summary

The U.S. Department of Housing and Urban Development's (HUD) Citizen Participation rules require jurisdictions to consider any comments or views of citizens at a public hearing prior to submitting the Performance Report. In order to comply with this requirement, staff has prepared a resolution setting a public hearing on the 2016 Consolidated Annual Performance Evaluation Report (CAPER) for March 20, 2017. The full report will be provided to the Council prior to the public hearing.

Discussion

The Consolidated Annual Performance Report provides an evaluation of the actions the City has taken to meet the priority needs, goals and deliverables of the 2015-2019 Consolidated Plan; including those outlined in the City's 2016 Action Plan. The report includes the following:

1. Progress made for all activities funded with Community Development Block Grant (CDBG) and HOME funds; including the geographical location of activities, a description of project beneficiaries matching funds, and compliance with HOME and CDBG rules and regulations;
2. An accounting of expenditures of CDBG and HOME funds during 2016;
3. A description of actions taken by the City regarding furtherance of fair housing and removing impediments to fair housing choice;
4. A description of actions taken to address homeless needs and to prevent homelessness;
5. A description of actions taken to address other underserved needs, affordable housing, lead-based paint hazards, poverty, and public housing initiatives;
6. A self-evaluation of the City's activities, institutional structure, changes and improvements that will occur in the future to meet the City's community development goals.
