Re: Contract with University Concert Series for Subgranting Award with funds from the National Endowment for the Arts

## Executive Summary

This legislation authorizes a contract with The Curators of the University of Missouri on behalf of the University Concert Series. Grant funds from the National Endowment for the Arts (NEA) – American Rescue Plan Grant to Local Arts Agencies for Subgranting has already been appropriated. Because this is an inter-governmental agreement, the contract needs to be approved by ordinance.

## Discussion

This contract is part of the American Rescue Plan (ARP) Subgranting Program administered by the Office of Cultural Affairs (OCA).

OCA was awarded a grant from the NEA to provide funds to be subgranted to local 501(c)(3) nonprofit arts organizations. The grant's purpose is to support subgranting to the nonprofit arts sector in response to and recovery from the COVID-19 pandemic. Part of the ARP, these funds from the NEA are separate from and in addition to the \$25 million that the City received earlier this year.

The OCA administered a subgranting program with an application process similar to its annual arts funding process. The ARP funds can go toward arts organizations' personnel, stipends for artists, facilities, health and safety supplies, and marketing and promotional costs. There is no cost share required on the part of the City or the nonprofit organizations to receive funds.

The award determination resulted from Commission on Cultural Affairs review process of applications received from local arts organizations. Commissioners reviewed the proposals during two meetings and offered time for public comment at the June meeting.

The Curators of the University of Missouri on behalf of the University Concert Series has been awarded \$8,467.00.

## Fiscal Impact

Short-Term Impact: This is grant funding. Funds have been appropriated.
