RE: Street Name Change – The Brooks, Plat No. 2

Community Development Dept.,

On behalf of my Client, The Brooks at Columbia, LLC, I would like to take this opportunity to submit for a street name change for the above subject plat.

Due to duplicate street name requests on both The Brooks Plat No. 2 & Creeks Edge Plat No. 4 for the name “Kiawah Court/Lane”, we request that The Brooks Plat No. 2 “Kiawah Court” be changed to “Shadow Hawk Court”.

Shadow Hawk Court has been approved by BCJC. In addition, The Brooks at Columbia, LLC still owns all lots which would have addresses on the street with this name change request. The lots within The Brooks Plat No. 2 that would have addresses off of this new street name would be lots 259, 260, 261, 262, 263, 264 & C7.

Please process this request and should you have any questions or need anything further feel free to reach out.

Sincerely,
Crockett Engineering Consultants, LLC
