Sheela,

See Jason's email. I just spoke to him. He indicated it would be acceptable to consider his email a Central Bank request that the alley vacation application be withdrawn. I told him there is no plan to discuss an alley vacation policy though the subject could still come up.

Tim,

Good morning. Thank you for your voice mail regarding the upcoming City Council meeting. At this time, I believe it would be acceptable to remove us from the agenda for discussion on our specific alley vacation request. However, I want to ensure the City Council is still discussing the policy surrounding alley vacation requests in general. Before we can draw up plans outlining our intentions with the area in question, we need to know exactly what the city's requirements will be in regards to easements, landscaping, utilities, etc.

Will the City Council still be discussing/finalizing the policy at the upcoming meeting?

Thank you for your time regarding this matter.
