Re: Zoning Text Amendments - **#A6: 29-2.2(c)(4)(iii)(A) PD planned development - Permitted use** (Case #49-2021)

Executive Summary

Approval will amend the Unified Development Code (UDC) to remove repeated text in this section.

Discussion

This amendment will delete a portion of repeated text found in Section 29-2.2(c)(4)(iii)(A) pertaining to the "Permitted Uses" to be allowed within a PD development. Removal of the repeated text does not result in changing the meaning of the section.

The Planning and Zoning Commission considered this request at their January 21, 2021 meeting. Staff presented its report. No member of the public spoke during the public hearing. Following limited discussion, a motion to approve the zoning text amendment passed (8-0). As a note, the PZC reviewed a draft of the proposed text amendment during three work sessions prior to the public hearing.

The Planning Commission staff report, proposed text amendment sheet, and meeting minute excerpts are attached.
