VI. REPORTS

A. Housing & Community Development Commission Representative Report

Suhler stated the commission hadn't met since the last HSC meeting. They are accepting proposals for the last round of CARES Act CDBG/HOME funding. Hollis stated his understanding is that after being approved by council, the CDBG funded contract for the motel lease for RATI this winter was rescinded due to the law department's interpretation of HUD conflict of interest regulations. Hollis said CIRC is applying for County CARES Act funding and CoMoHelps has agreed to backstop the proposal.

B. Staff Report

Hollis stated that the issues with contracted deliverables had been addressed by Big Brothers Big Sisters and Lutheran. He said the CHALIS Moving Ahead School Year and Fun City Saturday contracts are on now track to deliver all units. He said the CHALIS Money Smart program is unlikely to deliver contracted units within the contract period so a deliverables extension is probable.

Suhler asked about County CARES Act funding for nonprofits. Hollis said the CoMoHelps partners have been directing nonprofits to apply for County CARES Act funding and many have. Hollis said the United Way, Community Foundation, and Veterans United Foundation also applied to the County for reimbursement which would allow CoMoHelps to extend funding well into 2021.
