Re: Zoning Text Amendments - **#A16: 29-6.4(m)(2)(i)(F) Conditional Use Permit - Criteria for Approval - General Criteria** (Case #49-2021)

Executive Summary

Approval will amend Section 29-6.4(m)(2)(i)(F) of the Unified Development Code (UDC) by replacing the word "variance" with "conditional use" given the type of review to which the standard is applicable.

Discussion

This section addresses conditional use approval criteria; however, it erroneously makes reference to "variance". To correct the error it is recommended that the reference to "variance" be replaced with "conditional use."

The Planning and Zoning Commission considered this request at their January 21, 2021 meeting. Staff presented its report. No member of the public spoke during the public hearing. Following limited discussion, a motion to approve the zoning text amendment passed (8-0). As a note, the PZC reviewed a draft of the proposed text amendment during three work sessions prior to the public hearing.

The Planning Commission staff report, proposed text amendment sheet, and meeting minute excerpts are attached.
