

Department Source: City Utilities - Water and Light

To: City Council

From: City Manager & Staff

Council Meeting Date: April 18, 2022

Re: Authorizing the City Manager to execute agreements with MISO for purposes of compliance with CIP-012 Communication between Control Centers.

Executive Summary

Staff has prepared for Council consideration a resolution authorizing the City Manager, or the City Manager’s designee to execute agreements with MISO for purposes of compliance with CIP-012 Communication between Control Centers. This Agreement sets forth the coordination of the individual and joint responsibilities for CIP 012 compliance between CWLD and MISO.

Discussion

North American Electric Reliability Corporation Critical Infrastructure Protection Reliability Standard CIP 012, Cyber Security Communications between Control Centers, has been established to protect the confidentiality and integrity of Real-time Assessment and Real-time monitoring data transmitted between Control Centers.

Fiscal Impact

Short-Term Impact: The cost associated with MISO agreement is included in the annual operating budget for CWLD.
Long-Term Impact: The cost associated with MISO agreement is included in the annual operating budget for CWLD.
