Section 311.080 of the State Statute establishes that no license shall be granted for the sale of intoxicating liquor within 100 feet of any school, church, or other building regularly used as a place of religious worship, unless the license applicant shall first obtain the written consent of the City Council. It also states such consent shall not be granted until at least 10 days written notice has been provided to all property owners within 100 feet of the proposed licensed premises.
