

To Whom it May Concern,

Bruce Baker of Schauf / Baker Partnership has informed us of his plans to purchase 2502 West Worley Street. We understand that Schauf / Baker plans to demolish the existing car wash and desires to construct a kennel, as shown in the attached conceptual site plan.

We are aware that in order for an animal boarding facility to be constructed on this property, an update is required to the PD development plan & zoned uses for this parcel.

Our signatures below indicate we are aware of Schauf / Baker Partnership's intent and that we have no opposition to the kennel construction and required zoning updates.

Date	Name	Signature	Address	Comments
6/12/18	Kravis Rader 417 Human Kesslers		2711 W. Ash Columbia, MO 65203	Discussed with executive management with Mrs. Testbank Baskins
