The City Event Committee has approved the application for these events pending Council approval. Conditions of approval have included use of barricades that are compliant with the Manual of Uniform Traffic Control Devices (MUTCD) to block the roadway and procurement of required liquor licensing and liquor liability insurance.

Per City Ordinance 24-73b, an operations agreement is only required for a downtown street closure if the event is to take place the day before, or the day of, any scheduled University of Missouri home football game.
