RE: 2019 TAX RATES

Attached are your pro-forma tax rate calculations from the State Auditor's office. Your tax rate ceiling for this year is listed on Line F.

Some of you may notice your total assessed valuation is different than the number certified in July. The total assessed valuation on the State Auditor form is adjusted for any TIF increments for this year (Tiger and Doubletree Hotel TIF).

REMINDER:

You must hold a public hearing and set your 2019 tax rate no later than SEPTEMBER 1.

Return the following to my office as soon as possible after you set your levy but no later than September 10

- Complete the Highlighted areas of the form – enter 0 for items that do not apply
- Send a copy of the ordinance or minutes of the meeting where your rate was adopted

If you have a Debt Service Levy the maximum amount you can levy for debt service is detailed on TAX RATE FORM C on the last page of the packet.

MEMORANDUM

July 26, 2019

TO: 09-010-0003 City of Columbia
RE: Setting of 2019 Property Tax Rates

The following are the tax rate computational forms that have been reviewed. Please follow the steps below to complete the process of setting your 2019 Property Tax Rate(s).

1. **Lines G - BB on the Summary Page should be completed** to show the actual tax rate(s) to levy.
2. Please **sign and date the Summary Page**.
3. Please **submit the finalized tax rate forms ready for certification to the County Clerk of each county** that your political subdivision resides in. The County Clerk must also sign the Summary Page and indicate the proposed tax rate to be entered on the tax books before submitting rate(s) to the State Auditor's Office for final review and certification.

If the attached calculation differs from the questionnaire submitted for review, please review the following line items for the reason(s) for the difference.

- **Form A, Line 2b - New Construction & Improvements - Personal Property**

Section 137.073.4, RSMo, states that the aggregate increase in valuation of personal property for the current year over that of the previous year is the equivalent of the new construction and improvements factor for personal property.

- **Form A, Line 5 - Prior Year Assessed Valuation**

If the 2019 questionnaire has a different amount on Form A, Line 5 than was previously submitted, we had to revise the 2018 calculation for this change. The revised 2018 tax rate ceiling is listed on the 2019 Summary Page, Line A. Your primary County Clerk should forward a copy of the revised 2018 calculation; please keep this form for your files.

- **(SCHOOL DISTRICTS ONLY) Form A, Line 14**

We revised the information the school district submitted on Line 14 to the amount computed by the Department of Elementary and Secondary Education (DESE).

If you have any questions about the enclosed forms, please contact the local government section at (573-751-4213.)
