The following form submission was received on the City of Columbia website. The sender has been notified of the successful receipt of this request. Recipients should respond to this request within a reasonable time frame, normally within 1 to 3 business days. For more information regarding origin of this message or to report spam contact the Webmaster at [webmaster@como.gov](mailto:webmaster@como.gov)

Below are the results of a Web form submitted on: May 27th, 2020 at 11:52AM (CDT).

Speaker's Name: (please indicate if more than one speaker): Carol Allers

Telephone: 636-448-4557

Email Address: [carol.allers@gmail.com](mailto:carol.allers@gmail.com)

Topic (please be specific): Negative effects of small cell wireless facilities (existing and proposed) near schools, neighborhoods and nursing homes. A few of the dangers include: Reduced property values near tower locations, city liability from lawsuits for adverse health effects, cell hardware contains toxic chemicals, no safety testing done on microwave antennas placed in neighborhoods. Fiber Optics solves all these issues.

I understand that the information submitted in this form will be published with a City Council agenda and will be made available to the public.: yes
