Ordinance No. 024705 Council Bill No. B 217-21

AN ORDINANCE

determining it is in the public interest to proceed with development of the MKT Wetlands project located southeast of the Scott Boulevard Trailhead and the MKT Trail to include construction of two (2) wetland cells, wooden boardwalk with a lookout deck and bench seating, and a gravel trail and grass trails; approving and adopting plans and specifications; determining that a portion of the work shall be done by contract; calling for bids through the Purchasing Division for a portion of the work; providing for payment for the improvement; authorizing the City Manager to obtain, execute and record all documents necessary for the improvement; providing for compliance with the prevailing wage law and state-mandated construction safety training; and fixing the time when this ordinance shall become effective.

WHEREAS, an online survey for interested parties for the proposed development of the MKT Wetlands project located southeast of the Scott Boulevard Trailhead and the MKT Trail to include construction of two (2) wetland cells, wooden boardwalk with a lookout deck and bench seating, and a gravel trail and grass trails was held by the Parks and Recreation Department from December 30, 2020 to April 9, 2021; and

WHEREAS, the City Council adopted a resolution declaring the necessity for the proposed construction of the improvement project; and

WHEREAS, the notice of a public hearing on this project was published in a daily newspaper of general circulation in the city; and

WHEREAS, the City Council has held a public hearing on construction of the proposed improvement.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBIA, MISSOURI, AS FOLLOWS:

SECTION 1. The Council finds that the development of the MKT Wetlands project located southeast of the Scott Boulevard Trailhead and the MKT Trail to include construction of two (2) wetland cells, wooden boardwalk with a lookout deck and bench seating, and a gravel trail and grass trails, in the City of Columbia, Missouri, is necessary

for the welfare and improvement of the city and that it is in the public interest that such improvements be made.

SECTION 2. The plans and specifications for this improvement project, as prepared by the Director of Parks and Recreation, are hereby approved.

SECTION 3. A portion of the construction of the improvement project shall be done by contract in accordance with the plans and specifications, the laws of the State of Missouri, and the Charter and Ordinances of the City of Columbia, Missouri.

SECTION 4. The Purchasing Agent is hereby authorized to call for bids and execute a contract for construction of a portion of the improvement project. As deemed advisable by the City Manager, city employees may be used to construct all other improvements.

SECTION 5. Payment for this proposed improvement project shall be made from a donation received from Tom and Ann Smith (\$40,000.00), park sales tax funds, and such other funds as may be lawfully appropriated.

SECTION 6. The City Manager is authorized to obtain, execute and have recorded all licenses, easements, deeds and any other conveyances or instruments necessary for the City to complete this improvement.

SECTION 7. Pursuant to Section 290.250 RSMo., the contract for the improvement project shall provide that not less than the prevailing hourly rate of wages, as found by the Department of Labor and Industrial Relations of Missouri, shall be paid to all workers performing work under any contract in excess of \$75,000.00. The contractor's bond shall guarantee the faithful performance of the prevailing hourly wage clause in the contract.

SECTION 8. Pursuant to Section 292.675 RSMo., the bid specifications and contract for the improvement shall provide that the contractor and any subcontractor shall provide a ten-hour Occupational Safety and Health Administration construction safety program (or a similar program approved by the Missouri Department of Labor and Industrial Relations) for all employees working on-site. All employees working on the site of the improvement are required to complete the safety program within 60 days of beginning work on the improvement project.

SECTION 9. This ordinance shall be in full force and effect from and after its passage.

PASSED this 19th day of July, 2021.
