Re: Amending Memorandum of Understanding for campus throughways and bordering roadways Primary Response

Executive Summary

Staff has prepared for council consideration an amended Memorandum of Understanding between the University of Missouri and the City of Columbia operational authority, mutual aid and primary response by law enforcement officers for properties routinely patrolled by MUPD. These throughways and bordering roadways of MU campus are routinely patrolled by MUPD as they surround areas of MUPD's primary operational responsibility.

Discussion

Approval of this memorandum of understanding between the University of Missouri and the City will allow the University of Missouri Police Department (MUPD) to police throughways and bordering roadways and properties with operational authority. Further, the MUPD will be the primary responder for calls in these areas.

This area is largely populated by University of Missouri students. A primary response by MUPD lends more University resources (i.e. Student Conduct referrals) to mitigate issues that arise in student-occupied housing and surrounding areas.

This amended agreement adds the following two (2) additional properties to the original agreement: Baptist Student Union (812 Hitt St, Columbia, MO 65201) and Missouri State Teachers Association (402 & 407 S Sixth St, Columbia, MO 65201). All other properties on the original agreement remain the same.
