VIII. GENERAL COMMENTS BY PUBLIC, MEMBERS AND STAFF

Homeowner Head shares that she has concerns about a neighborhood meeting that she attended hosted by the City. The meeting was held to discuss what would be done on the sexton lot. Head shares that there were many ideas that concerned her as the lot is very close to her home. She asks if more houses could be built. Stormwater and flooding are a concern and would likely be a barrier that would not allow homes to be built there, Cole shares that there will be another neighborhood meeting in May around that same subject.

Cole shares that sidewalks will be put in the area this coming summer.

Discussion is had about potentially moving the CCLT meeting day to another week in the month. The board decides to keep the next date as May 14th for now.
