Re: Setting a public hearing for the 2016 Property Tax Rate

## Executive Summary

This Resolution sets the public hearing for the 2016 Property Tax Rate for the City of Columbia at \$0.41 (per \$100 assessed valuation).

## Discussion

The City of Columbia levies property taxes to support operations of basic services in the General Fund. The 2016 property tax supports the City's FY2017 budget. These property taxes comprise approximately 10% of the total General Fund revenue. The FY2017 budget submitted to Council does not include a property tax rate increase from the FY2016 budget.

This rate is equal to the maximum rate of \$0.4100 certified by the Office of Missouri State Auditor for 2015. The City has not received the certification for 2016.

The public hearing for the property tax rate will be set for the August 15, 2016 City Council Meeting.

## Fiscal Impact

Short-Term Impact: The City collected approximately \$7.8 million in property taxes in FY 2016 allowing the City to provide critical services to citizens.

Long-Term Impact: None
