Thanks for notifying me and, yes I do represent this CID. Please consider this as a recommendation from and request by the CID that the Mayor reappoint Roger Moser and Robert Walters as directors. Let me know if you need anything more in this regard.

Thanks.

Robert

Hi Robert,

My files indicate you represent the North 763 CID, and I show two current North 763 CID Board Member terms expire this month. See below:

Roger Moser – term expiring December 2016

Robert Walters – term expiring December 2016

Michael Imhoff – term expiring December 2018

Gary Meyerpeter – term expiring December 2018

Craig Valone – term expiring December 2018

Does the CID Board plan to provide recommendations to the Mayor?

Note, in order for this issue to make the December 19 City Council Meeting, I will need the Board's recommendation by the end of the week.

I appreciate your attention to this matter.
