Project Description:

The Missouri Department of Health and Senior Services (DHSS) seeks partnership that improve the quality and comprehensive nature of overdose interventions within your jurisdiction. The Department's Overdose Data to Action (OD2A) strategic work plan emphasizes implementing targeted prevention responses in local communities disproportionately affected by fatal and non-fatal overdoses. Local Public Health Agencies (LPHA) partnering with DHSS will address health disparities in populations vulnerable to overdose at the local level. DHSS will offer MO-OD2A grant funds to support LPHAs in achieving their desired short-term and long-term outcomes.
