Re: Engineering Services Agreement for the Business Loop Phase 6A Water Main Project

Executive Summary

Staff has prepared for Council consideration an ordinance authorizing the City Manager to execute an agreement with Engineering Surveys and Services, LLC of Columbia, Missouri in the amount of \$40,000 for professional engineering services regarding design and surveying services for the Business Loop Phase 6A Water Main project.

Discussion

The Business Loop Phase 6A Water Main Project is a system improvement identified in the departments 2008 Bond Issue as a needed improvement. This 12" water main will connect to the recently replaced 12" water main On Business Loop 70 East at Old 63 and be routed Westerly along Business Loop 70 East to Fay Street. The total length of this proposed water main is estimated to be approximately 3,300 feet.

The Proposed scope of services, as defined in attachment "A" of the agreement, will include:

- Surveying
- Final Plan Development
- Easement Documents

The proposed contract with Engineering Surveys and Services, LLC is not to exceed \$40,000 for engineering services on the Business Loop Phase 6A Water Main Project with an estimated time of completion of 180 calendar days from the issuance of the notice to proceed. Funding for this project is to come from a voter approved bond issue passed in 2008 and has been appropriated in Capital Improvement Project No. W0200.
