Re: The Park at Somerset Village Plat No. 1 (Case #16-19)

Executive Summary

Approval of this request will result in the creation of a 28-lot final major plat to be known as "The Park at Somerset Village, Plat No. 1". The 9.18-acre subject parcel is located on the west side of Battle Avenue just north of Spartan Drive.

Discussion

The applicant, A Civil Group, is requesting, on behalf of St. Charles Road Development (owner), approval of a 28-lot final plat for a subdivision to be known as "The Park at Somerset Village, Plat No. 1". The plat represents the first phase of development, included in the approved preliminary plat for Somerset Village.

The development parcel lies approximately 1000 feet north of St. Charles Road, beginning at the corner of Battle Avenue and Spartan Drive, and progressing to the north. The plat dedicates all necessary internal roadways and required easements to serve the properties with utilities.

Staff finds that the plat substantially conforms to the approved preliminary plat, and meets all technical zoning and subdivision requirements.

Fiscal Impact

Short-Term Impact: Limited short-term impact. All infrastructure installation will be at the expense of the applicant.

Long-Term Impact: Long-term costs include public infrastructure maintenance (e.g., adjacent roads, sewer) and demands for services (e.g., public safety, refuse collection). Costs associated with long-term impacts may or may not be offset by additional tax revenues and user fees.
