Topic (please be specific): to have a celebrity of life for our community . we are losing our young men and women everyday and for what. let give them something to look forward to like a better future hope and dreams. what I'm asking for is for the city of Columbia to come together and show this youth and the people of columbia that we care and want them to be our future. let have a park day that bring out all the business in columbia bigs and smalls and the food trucks, bring there for hiring sign and have people on the spot with job opening. the best way to stop violence in our community is to get the people busy so them we care for out what there talents are. columbia use to be one of the most safe place in the world to raise your family we are not on that list anymore.

I understand that the information submitted in this form will be published with a City Council agenda and will be made available to the public.: yes
