Council Meeting Date: October 19, 2020

Re: Authorizing a Temporary Closure of a Portion of Sidewalk and Street on South Fifth Street between Elm Street and East Stewart Road.

Executive Summary

Staff has prepared for Council consideration a resolution authorizing the University of Missouri to close a portion of South Fifth Street and the west sidewalk along South Fifth Street between Elm Street and East Stewart Road from November 23, 2020 to January 15, 2021. The closure is needed to remove existing chilled water and domestic water utilities and replace with a new thirty-six (36) inch chilled water and ten (10) inch domestic water utilities adjacent to the University of Missouri Power Plant.

Discussion

The University of Missouri is seeking permission for the temporary closure of approximately one hundred and seventy five (175) linear feet of both driving lanes, the parking lane, and sidewalk on the west side of South Fifth Street, between Elm Street and East Stewart Road, from November 23, 2020 to January 15, 2021, to remove existing chilled water and domestic water utilities and replace with a new thirty six (36) inch chilled water and ten (10) inch domestic water utilities adjacent to the University of Missouri Power Plant.

The University of Missouri and/or its contractor will be responsible for all signs and barricades necessary for the protection and convenience of the general public. The University of Missouri has notified the Missouri State Teachers Association of the closure.

Fiscal Impact

Short-Term Impact: None, The University of Missouri is exempt from any public inconvenience fee.

Long-Term Impact: None

Strategic & Comprehensive Plan Impact

Strategic Plan Impacts:

Primary Impact: Not Applicable, Secondary Impact: Secondary, Tertiary Impact: Tertiary
