Re: Conveying Buckner Street Easement to Missouri Highways & Transportation Commission

Executive Summary

Authorizing the City Manager to execute a quitclaim deed conveying Buckner Street easement to the Missouri Highways & Transportation Commission (MHTC).

Discussion

During construction of the recent Stadium Boulevard improvement project, Buckner Street was utilized for temporary and permanent construction. Although Buckner Street is currently the City's maintenance responsibility, it adjoins the Stadium Boulevard right of way, and the long term utility of the Stadium roadway improvement is contingent on this easement remaining public property. MHTC has requested that the City transfer Buckner Street easement to them in order to clarify maintenance responsibilities between the two agencies. City staff agrees with this concept and recommends that Buckner Street easement be conveyed to MHTC.
