Re: Authorizing an Agreement for Professional Engineering Services with Engineering Surveys & Services for Surveying Services Relating to the Perche Creek Substation Feeder Extension PC233 from the Perche Creek Substation to the intersection of Fairview Road and Broadway.

Executive Summary

Staff has prepared a resolution for Council consideration authorizing the City Manager to execute a professional engineering services agreement with Engineering Surveys and Services for surveying services relating to the Perche Creek Substation feeder extension PC233 from the Perche Creek Substation to the intersection of Fairview Road and Broadway. The agreement for the surveying services is for a not to exceed amount of \$90,000 and will be paid from Capital Improvement Project E0227.

Discussion

Staff has identified the need to extend additional electric distribution feeder circuits out of the Perche Creek Substation to increase load serving capacity and system reliability. Engineering Surveys and Services will conduct property boundary, topographic and utility surveys on the proposed feeder alignment, shown in the attached diagram, from the Perche Creek Substation to the intersection of Fairview Road and Broadway.

An interested parties (IP) meeting was held on August 31, 2024. The estimated cost of this project is \$2,205,000 and \$1,575,000 has already been appropriated in Project E0227 of the Capital Improvement Program.
