To: City Council
From: City Manager & Staff
Council Meeting Date: June 6, 2016
Re: Authorizing a Sidewalk Closure on the South Side of Burnam Road between S. Providence and Curtis Avenue

Executive Summary

Authorizing a sidewalk closure on the south side of Burnam Road between S. Providence Road and Curtis Avenue, for the period June 22, 2016 through August 4, 2017, for construction of a sorority house on the corner of S. Providence Road and Burnam Road.

Discussion

The City's Building and Site Development staff authorized a short term sidewalk closure on the south side of Burnam Road, between S. Providence Road and Curtis Avenue, for the period May 23, 2016 through June 21, 2016, for construction of the Delta Gamma sorority house. Due to the deep excavations and utility work on the property, the Burnam Road sidewalk closure will require council authorization to continue the closure through August 4, 2017. Crockett Engineering, on behalf of MU Association of Delta Gamma, has developed a traffic control plan and contacted the adjacent property owners (see attachments).   Also attached is a copy of MoDOT's permit authorizing the work in their right-of-way along S. Providence Road, which will also close a portion of sidewalk on the east side of S. Providence Road between Burnam Road and Kentucky Avenue.
