Re: REPORT – Ward Reapportionment Committee Ward Redistricting Report

## Executive Summary

Attached for Council review is the final report of the Ward Reapportionment Committee.

## Discussion

Council created the Ward Reapportionment Committee in November 2021 with the approval of R 176-21 A. Through the resolution, the Council instructed the Committee to complete its work by February 15, 2022. The attached Ward Redistricting Report was delivered on that date. During its discussions on October 18, 2021 and November 1, 2021, the Council settled on the February 15<sup>th</sup> date because it would allow the City Council enough time to receive and review the report and schedule a public hearing in March, so that the Council could adopt a new map before April 5, 2022. It was understood that any ordinance adopting new ward boundaries would not become effective until after the April election.
