Re: Allowing Spring Creek Homes Association to Install and Maintain a Private Neighborhood Identification Sign within a Portion of Vawter School Road and Foxcreek Way Rights-of-Way

## Executive Summary

Authorizing the City Manager to execute a right of use license permit with Spring Creek Homes Association of Boone County to install and maintain a private neighborhood identification sign within a portion of the rights-of-way of Vawter School Road and Foxcreek Way (see attached Exhibits A and B).

## Discussion

Spring Creek Homes Association of Boone County is requesting approval of a right of use license permit to install and maintain a private neighborhood identification sign within the rights-of-way of Vawter School Road and Foxcreek Way. The neighborhood identification sign would be constructed at a location west of the intersection of Vawter School Road and Foxcreek Way, specifically at the point intersecting thirty (30) feet west from the centerline of Foxcreek way and fifty (50) feet north of the centerline of Vawter School Road (see Exhibit B).

The right of use license permit agreement outlines the responsibilities of Spring Creek Homes Association of Boone County. The work will not begin until the proper construction permits are obtained, and the work scheduled with the division of Building and Site Development. Further, Spring Creek Homes Association of Boone County will not obstruct or block and City street or sidewalk during construction without first obtaining permission from the City.
