Speaker's Name: (please indicate if more than one speaker): Cole Walker Riley

Telephone: 5732892661

Email Address: colewriley@gmail.com

Topic (please be specific): I'd like to present to the council an idea I have for "decorating" the 8th & Walnut Parking Garage. I will have slides ready if allowed that show how I will use 100% passive energy and gravity to feed water to flower beds that are hung along all the south side voids. Funds will be provided through private donations in which people who donate will be able to select from a bank of flowers and be able to see their selection once hung on the garage. I understand that the information submitted in this form will be published with a City Council agenda and will be made available to the public.: yes
