The Honorable Sheela Amin
City Clerk
City of Columbia City Council
701 E. Broadway, 2nd Floor
Columbia, MO 65201

Dear City of Columbia Council Members,

In response to the recent media coverage involving the development of affordable housing in Columbia, we did not authorize the City, any other entity or individual to negotiate on behalf of the CCLT. The CCLT recognizes the demand for more affordable housing and the obstacles, opportunities and challenges we face as a community to meet the growing need. The CCLT also operates in an open and transparent manner when executing and producing its outcomes as spelled out in our Mission, goals and values. The CCLT embraces a holistic approach to addressing this issue that involves the public and private sector and most important our fellow citizens who require such housing opportunities.

Sincerely,

A handwritten signature in blue ink, appearing to be 'Anthony Stanton', written over the word 'Sincerely,'.
