Supplemental Questions

1. I am interested in serving on the city council because I can help make the city a better place for all citizens. When I lived on Stone Street, there were multiple camps of unhoused people. This led to an increase in vandalism and small thefts around the neighborhood. I watched people dealing with their mental illness as well as their addiction to drugs and alcohol on a daily basis, wondering why nothing could be done to help the least well off of our city's population. I want to help and see this as an opportunity to do so.
2. The role of the city council is to represent the interests of the wards to create a governing body that serves the city of Columbia.
3. I have been a blue collar worker for my entire career. This gives me a unique understanding and viewpoint to represent the second ward.
4. Over the last twenty years I have volunteered and worked with many prominent community organizations and programs such as KOPN community radio, Roots N Blues Festival, True/False Film Festival, and Clean Up Columbia.
5. I am available and eager to attend all meetings, excited to meet with constituents, and open to learning new information while engaging in community outreach.
6. Some current topics affecting the city of Columbia are the implementation of roll carts, resolving the recycling program, the possibility of becoming a sanctuary city for LGBTQ individuals, providing more mental health services, getting unhoused populations into sustainable and stable homes, and building affordable housing for citizens.

7. Having had the opportunity and privilege to visit twenty countries helped to shape my viewpoint and see our city through a unique lens. I have a wife and kids, a solid work ethic, and hope I can be of service to our fair city.
