Re: Authorize an Intergovernmental Cooperation Agreement with the Curators of the University of Missouri to Refund a Portion of the Fees Paid for 2019-2020 Tiger Line Shuttle Bus Service for reasons related to the COVID-19 Pandemic.

Executive Summary

Authorizing the City Manager to execute a Tiger Line Refund Agreement with the Curators of the University of Missouri for suspended shuttle bus service on campus during April and May of 2020 for reasons related to the COVID-19 pandemic.

Discussion

The University of Missouri-Columbia paid the City for Shuttle Bus Services on its campus during the 2019-2020 academic school year, but the campus was shut down during April and May of 2020 for reasons related to the COVID-19 pandemic. To resolve the matter and preserve the cooperative relationship for Bus Shuttle Services, the City agrees to provide, and University agrees to accept, a refund for payments made by University for these months.

GoCOMO did not experience any additional costs by not providing these suspended services. Both entities agree that the City should refund the University Missouri the sum of Two Hundred Forty-Nine Thousand Five Hundred Eighty Five Dollars (\$249,585.00), as provided by the University of Missouri Invoice # 20200624.

Fiscal Impact

Short-Term Impact: Per the agreement, the City will pay UMC \$249,585.00 as a refund for services not provided during April and May of 2020.

Long-Term Impact: none.
