STR DOCUMENT LIBRARY- CONDITIONAL ACCESSORY/CONDITIONAL USE SUPPLEMENTAL QUESTIONS FORM

Specific Short-term Rental Conditional Use Permit Review Criteria.

- (A) Whether the proposed STR is used for any part of the year by the registrant as a residence. If so, for how long?

We use the residence for family guests and we often use for personal use but not as our residence.

- (B) Whether or not there are established STRs within 300 feet of the proposed STR measured in all directions from property lines "as the crow flies".

I believe the closest STR is at 1407 Windsor and I think that is slightly more than 300 ft.

- (C) Whether the proposed registrant has previously operated an STR and if such operation has resulted in a history of complaints, a denied STR certificate of compliance, or revocation of an issued STR certificate of compliance.

We have operated 1506 Windsor as an STR for approx 7 yrs (~700 rentals) and we have never received any complaints from neighbors.

- (D) Whether the proposed STR will increase the intensity of the use of the property and cause increased traffic or noise coming from the property.

We typically host from March to June and then again from September thru November, this is much less traffic than using as a full time rental or primary residence.

- (E) Whether there is support for the establishment of the proposed STR from neighboring property owners.

Our neighbors have been supportive thus far, I will provide written letters of support.
