To: patrick.zenner@como.gov, Ross Halligan <ross.halligan@como.gov>

we would like to request to table case #84 which was scheduled for 3/6 to be tabled until 4/10's Planning and Zoning Commission meeting.

Thanks so much!

Subject: Re: #84-2025 case number

Perfect, you will need to send an email to myself and my supervisor patrick.zenner@como.gov. The subject should be "Requested 4/10 Tabling". The body reiterates the subject and how you are requesting to table case #84 which was scheduled for 3/6 to be tabled until 4/10's Planning and Zoning Commission meeting.

Thank you,

Ross

It is important that you attend the meeting. To be able to do that, we recommend that you request to table the case for a later date. The agenda for the 3/20 meeting is full. Would 4/10's meeting work for you? You will still get through the regulatory process for the conditional use permit before the ordinance is in effect. Let me know as early as you can because we order display signs for cases and would like to finalize the order.

Let me know if you have any questions,

Ross

Ross-

Good Morning:

We have our public hearing for short term rentals on March 6th @ 7:00.

We are on vacation that date and can't attend. What are our options?

How important is it for us to be there? We have had zero trouble or complaints since we started it over two years ago and we are located local in columbia.

Also- we send all documentation we would like to present to this email address?

Thanks so much for working on all of this! I know it's been such a mess!
