Thanks for taking the time yesterday to speak with me about the old Eastwood Motel property. My husband and I agree with Crockett Engineering's request to replat the lot into one lot as it only makes sense to do so. As I told you, this property is in my back yard only separated by a small parcel the City of Columbia owns. We are in hope that the Planning and Zoning Commission will approve their request as we are more than ready to watch the motel be demolished! Again, thank you for your time yesterday.

Sincerely,

David E. Matney
