Dear Mr. Tim Teddy and Staff,

On behalf of the applicant, Bartley Stevenson, we would like to formally request the permanent zoning/annexation for case number #221-2025 be tabled until Aug 7th meeting date. The applicant is working through survey costs to meet legal lot status and needs more time to evaluate options. We appreciate your understanding and will hopefully be ready to move forward in the near future.

Please let me know if you have any questions.

Sincerely,
Keenan Simon, P.E.
