Re: Purchase Contract with Logic Inc. for Dream Report Software

## Executive Summary

Staff has prepared for Council consideration an ordinance authorizing the City Manager to execute a software license purchase agreement with Logic, Inc. for acquisition of the Dream Report data analysis software product. This product is used in conjunction with the Wonderware SCADA software for data analysis functions. This functionality was bid through the Purchasing Division as part of RFP 56/2017 to obtain Wonderware. Logic, Inc. is the distributor for the Dream Report software.

## Discussion

The City of Columbia solicited a request for proposals (RFP) 56/2017 seeking vendors for a new SCADA system to be used at the Water Treatment Plant through the Purchasing Division. Schneider Electric was selected for use as the vendor to provide Wonderware SCADA software for use at the Water Treatment Plant. As part of the SCADA product procurement specifications, the system was required to provide a means to analyze historical data and construct meaningful reports for easy consumption by the required users of the product. The Dream Report software provides this functionality. This agreement serves as purchasing agreement and end user license agreement (EULA) with Logic, Inc. which the distributor of the Dream Report software. Funding for this software has already been appropriated to Capital project W0278 for the upgrade of the Water Treatment Plant SCADA system.

## Fiscal Impact

Short-Term Impact: \$10,284. Cost of software and licensing, funding for this software has already been appropriated to Capital project W0278 for the upgrade of the Water Treatment Plant SCADA system.

Long-Term Impact: \$2,033. Annual maintenance
