Executive Summary

Authorizing the City Manager to execute an Assignment of Interests in Grants of Easements from the Conley Road Transportation Development District (TDD) to the City of Columbia relating to the recently completed Conley Road extension project.

Discussion

The Conley Road extension project to the Business Loop was completed during the summer of 2018, and was paid for by the Conley Road TDD. As part of the project, the Conley Road TDD was granted easements from the adjacent property owners. These easements are now being granted to the City of Columbia for road and utility purposes. Staff is requesting Council authorize the City Manager to execute an Assignment of Interests in Grants of Easements from the Conley Road TDD.
