The Bonds will bear interest from the date thereof at rates to be determined when the Bonds are sold as hereinafter provided, which interest will be payable semiannually on April 1 and October 1 in each year, beginning on October 1, 2017.

Any bidder electing to designate a maturity of term bonds shall specify the current serial bonds by year of maturity that are to comprise the term bonds. The final year designated shall be deemed the year of maturity of the term bonds. Term bonds shall be subject to mandatory sinking fund redemption by lot in the amounts currently specified for the serial bonds, at a redemption price of 100% of the principal amount thereof.

For purposes of computing the true interest cost (as hereinafter defined) and awarding the Bonds, the maturity of such term bonds shall be treated as if the amounts subject to mandatory sinking fund redemption are equal to the amounts and mature on the dates currently specified as serial bonds.

Place of Payment. The principal of each Bond will be payable at maturity to the registered owner upon presentation and surrender of such Bond at the principal office of UMB Bank, St. Louis, Missouri (the **“Paying Agent”**). Interest on each Bond will be paid by check or draft mailed by the Paying Agent to the Registered Owner of such Bonds as shown on the registration books of the City maintained by the Paying Agent at the close of business on the Record Date for such interest, which shall be the 15th day (whether or not a Business Day) of the calendar month next preceding such interest payment date.

The Bonds will be issued as registered Bonds in book entry only form. For as long as the Bonds are registered in book entry form, purchases of the Bonds will be made in book entry only form. Payments of the principal of and interest on the Bonds will be made directly to Cede & Co. as long as DTC is the registered owner of the Bonds. Disbursement of such payments to the beneficial owners of the Bonds is the responsibility of the DTC Participants.

It shall be the obligation of the Successful Bidder (as hereinafter defined) to furnish to DTC an underwriter’s questionnaire. It shall be the obligation of the Successful Bidder to qualify the Bonds, if such qualification is necessary, in the jurisdictions in which it intends to reoffer the Bonds.

Optional Redemption. As provided in the Official Statement, at the option of the City, the Bonds are subject to optional redemption and payment prior to their Stated Maturity, on October 1, 2025,

and thereafter, in whole at any time or in part on any date in any order of maturity selected by the City and by lot in multiples of \$5,000 within a maturity, or in such equitable manner as the Paying Agent may determine at a redemption price of 100% of the principal amount being redeemed, without premium, together with accrued interest thereon to the date of redemption.

Submission of Bids. Bids may be submitted on the Columbia Capital Auction website at <http://www.columbiacapitalauction.com> or by facsimile. Bids will not be accepted in any other manner. There is no charge for registration with Columbia Capital Auction. Bidders will be notified prior to the scheduled bidding time of their eligibility to bid. Only FINRA registered broker-dealers and dealer banks with DTC clearing arrangements will be eligible to bid. The Financial Advisor will determine whether any request for admission is granted. Bids must be received by the undersigned prior to the Submittal Hour accompanied by the Deposit (as hereinafter defined), which may be submitted separately, provided such Deposit is received by the City prior to the Submittal Hour. The City shall not be responsible for any failure, misdirection or error in the means of transmission selected by any bidder. The City reserves the right to waive irregularities and to reject any or all bids. Bids received after the Submittal Hour will be destroyed.

Good Faith Deposits. Each bid for the Bonds shall be accompanied by a good faith deposit (the “Deposit”) in the form of (1) a certified or cashier’s check *or* (2) a wire transfer, in the amount of \$328,100, payable to the order of the City of Columbia, Missouri.

If a wire transfer is used, a bidder may wire the Deposit to the City to the account shown below, **not later than the Submittal Hour**. Upon initiation of a wire transfer, the bidder shall promptly send notice of such wire transfer to the Financial Advisor, attention Jeff White (jwhite@columbiacapital.com) and James Prichard (jprichard@columbiacapital.com).

Bank Name:	US Bank, Columbia, MO
ABA Number:	081000210
Account:	152307767508
Acct Name:	City of Columbia Pool Account

No interest on the Deposit will accrue to the Successful Bidder (defined below). The Deposit will be applied to the purchase price of the Bonds. In the event the Successful Bidder shall fail to comply with the terms of its bid, the Deposit will be forfeited as full and complete liquidated damages.

After the award is made, the Deposits of the unsuccessful bidders will be returned forthwith. Deposits wired to the City by unsuccessful bidders will be returned via wire as soon as practical following completion of the bidding. Unsuccessful bidders desiring a return of the Deposit via wire must send wire instructions to the Financial Advisor, attention Jeff White (jwhite@columbiacapital.com) and James Prichard (jprichard@columbiacapital.com), by the applicable Submittal Hour. An unsuccessful bidder’s failure to provide return wire instructions will likely result in a delay in the return of their Deposit.

Conditions of Bids. Bids will be received on the Bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: (a) each bid shall be for all of the Bonds; (b) each interest rate specified shall be a multiple of 1/8th or 1/100th of 1%, or both; and (c) the same interest rate shall apply to all Bonds of the same maturity. No supplemental interest payments will be authorized. **No bid shall be for a price less than 100% of the principal amount of all of the Bonds and accrued interest, if any, thereon to the date of delivery. For Bonds maturing on and after October 1, 2026, no price below 98% will be accepted for any maturity.** Each bid shall specify the total interest cost (expressed in dollars) during the life of the Bonds on the basis of such bid and the original issue discount or premium, if any, offered by the bidder. Each bid shall also specify the true interest cost to the City on the basis of such bid to a delivery date of April 19, 2017. Each bidder agrees that, if it is awarded the Bonds, it will provide to the City the certification as to issue prices described under the caption “Certification as to Offering Prices” in this Notice of Bond Sale (this “**Notice**”).

Basis of Award. Following the opening of the bids for the Bonds, the low bidder (the “**Successful Bidder**”) will be designated by a representative of the City. The Successful Bidder will be the bidder whose bid will result in the lowest “true interest cost” (“**TIC**”), determined as follows: the TIC is that annual interest rate which, when used to compute the present value of all scheduled payments of principal and interest on the Bonds as of the settlement date, produces an amount equal to the purchase price of the Bonds. The purchase price of the Bonds shall be the aggregate purchase price bid plus accrued interest, if any, and present value shall be computed on the basis of semiannual compounding and a 360-day year consisting of twelve 30-day months to the date of delivery.

No bidder will be designated as the Successful Bidder unless its bid shall be in compliance with the other terms and conditions of this Notice. In the event that two or more bidders offer bids at the same lowest TIC, a representative of the City will determine by lot which bidder will be designated as the Successful Bidder; its determination of the winning bidder shall be final. If there is a discrepancy between the TIC noted on the bid form and the City’s calculation of the TIC, the City’s calculation of TIC shall be used.

Rules of Columbia Capital Auction. The “Rules of Columbia Capital Auction” can be viewed on Columbia Capital Auction’s website and are incorporated herein by reference. Electronic bidders must comply with the Rules of Columbia Capital Auction in addition to the requirements of this Notice of Bond Sale.

Pre-Bid Revisions. The City reserves the right to issue a Supplemental Notice of Sale (the “**Supplemental Notice**”) not later than 48 hours prior to the Sale Date via the electronic bidding website (<http://www.columbiacapitalauction.com>). If issued, the Supplemental Notice may modify (i) the maturity amounts of the Bonds, and/or (ii) such other terms of this Notice as the City determines. Any such modifications will supersede the maturities and such other terms as set forth herein.

Alternative Sale Date. The City reserves the right to cancel or postpone, from time to time, the date or time established for receipt of bids and in such event, the cancellation or postponement will be announced via the Columbia Capital Auction website at least 24 hours prior to the time established for the receipt of bids. Following a postponement, a new date and time of sale will be announced via the Columbia Capital Auction website and Bloomberg at least 48 hours prior to the time bids are to be submitted. On any such alternative sale date, bidders shall submit bids for the purchase of the Bonds in conformity with the provisions of this Notice, subject to any pre-bid revisions announced via <http://www.columbiacapitalauction.com> as provided under the caption “Pre-Bid Revisions” herein.

Post-Bid Revisions. Subsequent to the receipt of bids but prior to award, the City reserves the right to modify the total principal amount of the Bonds and the amount of any maturity in order to properly structure certain funds and accounts and substantially obtain annual debt service parameters determined by the City, based upon the interest rates and reoffering yields submitted by the Successful Bidder. The amount of the modification generally will not exceed the amount of net original issue premium bid on the Bonds. Upon notification of preliminary award, the Successful Bidder must transmit to the City within 20 minutes, by fax or email, its reoffering yields on the Bonds. The Successful Bidder will be notified by means of telephone or facsimile transmission of any modification to such principal amount not later than 3:00 p.m. Central Daylight Time on the Sale Date. If the principal amounts are modified, the City will seek to modify the maturity schedule, or make other mutually agreeable changes, in a way that will neither increase nor reduce the Successful Bidder's spreads as a percentage of the principal amount of the Bonds issued after taking into account such adjustments. *The Successful Bidder may not withdraw its bid nor modify its proposal as a result of any post-bid revisions to the Bonds made by the City pursuant to this paragraph.*

Delivery and Payment. The Bonds, properly prepared and executed, will be delivered by the City without cost to the Successful Bidder on or about April 19, 2017 at DTC. The Successful Bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the Bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the Bonds affecting their validity, and a certificate regarding the completeness and accuracy of the Official Statement. The denominations of the Bonds and the names, addresses and social security or taxpayer identification numbers of the registered owners shall be submitted in writing by the Successful Bidder to the City and the Paying Agent at least one week prior to the date of delivery of the Bonds. In the absence of such information, the City will deliver Bonds in the denomination of each maturity registered in the name of the Successful Bidder. Payment for the Bonds shall be made in federal reserve funds, immediately subject to use by the City by 9:00 A.M., Central Daylight Time, on the day of delivery.

Continuing Disclosure. The City covenants and agrees to enter into a continuing disclosure undertaking to provide ongoing disclosure about the City, for the benefit of the bondholders on or before the date of delivery of the Bonds as required by Section (b)(5)(i) of Rule 15c2-12 of the Securities and Exchange Commission, which continuing disclosure undertaking shall be in the form as may be agreed to in writing by the Successful Bidder. Except as disclosed in the Preliminary Official Statement, the City is in compliance with each undertaking previously entered into by the City pursuant to Rule 15c2-12. A description of the City's compliance failures is provided in the Preliminary Official Statement.

CUSIP Numbers. CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Successful Bidder thereof to accept delivery of and pay for said Bonds in accordance with the terms of this Notice. The expenses related to the printing of CUSIP numbers on the Bonds shall be paid by the City.

No Credit Enhancement. The Successful Bidder may not purchase or cause to be purchased any bond insurance policy, letter of credit or other form of credit enhancement with respect to the Bonds.

Bond Ratings. Standard & Poor's Global Ratings has assigned its rating of "[____]" ([_____]) to the Bonds.

Preliminary Official Statement and Official Statement. The City has prepared a Preliminary Official Statement, copies of which may be obtained from the Financial Advisor or the Finance Director. Upon the sale of the Bonds, the City will adopt the final Official Statement and, at the request of the
