Re: Supplemental memo – B286-23 Approving a major amendment to the Planned Development Plan for The Village of Cherry Hill – Lot 3B – request to remand to the Planning & Zoning Commission (case no. 260-2023)

Executive Summary

Attached please find correspondence from the applicant's attorney regarding the impacts of errors in the original staff report to the Planning & Zoning Commission. The attorney states their client would not object to remand of the case to the Planning & Zoning Commission for a new hearing. The basis of this suggestion is that the Commission was not made aware of a minor amendment approved by the Community Development Director in December 2014 that changed the proposed building on lot 3B from a mixed-use to a residential use. The staff Council memo acknowledges this omission.

The City Council may remand the request to the Planning & Zoning Commission as suggested or it may take action on the ordinance approving the Planned Development Plan. If the application is remanded, staff will add the case to the Planning & Zoning Commission agenda in January 2024 for further review by the Commission.
