Council Meeting Date: June 6, 2016

Re: Authorizing a Temporary Sidewalk Closure on a Portion of S. Seventh Street and Temporary Alley Closure between S. Sixth Street and S. Seventh Street

Executive Summary

Authorizing a temporary sidewalk closure on the west side of S. Seventh Street, between Cherry Street and Locust Street, and the alley located between S. Sixth Street and S. Seventh Street, from June 17, 2016 through August 26, 2016.

Discussion

Hercon Construction has requested to close a portion of sidewalk on the west side of S. Seventh Street, between Cherry Street and Locust Street, as well as the alley located between S. Sixth Street and S. Seventh Street, to replace a sidewalk and reconstruct a roof at 119 S. Seventh Street. The City's Building and Site Development staff authorized a short term closure for these locations until June 17, 2016. Staff is requesting Council authorization to extend the closures through August 26, 2016 to complete the project.

On behalf of Hercon Construction, Crockett Engineering has contacted the adjacent property owners and developed a traffic control plan for the closures (see attachments).
