Re: Training agreement with the University of Missouri for training and instructional classes.

Executive Summary

An agreement between the City of Columbia and the University of Missouri Police Academy to conduct training at Columbia Regional Airport.

Discussion

The agreement would allow the University of Missouri Police Academy to use the south portion of the ramp for University sponsored certified instruction and training programs for both police and fire education. The City benefits from having its personnel professionally trained and certified. Passage of this ordinance will allow the University a license to a specified paved area on the south portion of the ramp for the purpose of conducting training and career development in accordance with the terms and conditions of their license as an accommodation to the University. The term of this license will be for five years unless terminated sooner by either party and there will be no fees associated. (see attached agreement)

Fiscal Impact

Short-Term Impact: There is no funding associated with this agreement.

Long-Term Impact: No long-term impact.
