For good and valuable consideration, which the parties both acknowledge, the parties agree on the following additional terms and conditions, which modify the EULA:

1. All references to arbitration within the EULA are hereby deleted and moot. The Licensee does not agree to arbitration.
2. The following definitions as set forth in the EULA are hereby deleted in their entirety and replaced with the following:

“**Confidential Information**” means all nonpublic information, whether disclosed by a party or its Affiliates or their respective employees or contractors, that is designated as confidential or that, given the nature of the information or circumstances surrounding its disclosure, reasonably should be understood to be confidential. Confidential Information also includes: (a) Laserfiche Software and Documentation; (b) Laserfiche’s source code, non-public application programming interfaces, know-how, ideas, plans, designs, specifications, coding, programming, processes, production techniques, technology, methodology and trade secrets; (c) nonpublic information relating to a party or its Affiliates’ technology, customers, business plans, promotional and marketing activities, finances and other business affairs; (d) third-party information that each party is obligated to keep confidential; and (e) except to the extent not permitted by applicable law, the terms of any agreements, discussions, or negotiations between the parties or their respective Affiliates regarding this Agreement or the Laserfiche Software. Confidential Information does not include any information that: (i) is or becomes publicly available without either a breach of this Agreement or a breach of an obligation of confidentiality by someone else; (ii) can be shown by documentation to have been known to Licensee at the time Licensee received it from us; (iii) is received from a third party that lawfully acquired and disclosed it without any obligation of confidentiality; or (iv) can be shown by documentation to have been independently developed by the receiving party without reference to the other party’s Confidential Information; or (v) is an open record pursuant to the Missouri Sunshine Law (Chapter 610 RSMo).

“**Effective Date**” means the first date of this Supplement as set forth above.

3. Sections 4.4, **Laserfiche Cloud**, is hereby deleted in their entirety and replaced with the following:
 - 4.4 **Laserfiche Cloud**. Licensee acknowledges that Laserfiche offers the use of proprietary software products, tools, modules, algorithms, and components running as services in a Laserfiche hosted environment (such proprietary items, “Laserfiche Cloud Product Components”, such environment, the “Services Environment”, and the use of such components in the Services Environment, the “Laserfiche Cloud”), subject to the terms of our Laserfiche Cloud Subscription Agreement. Licensee acknowledges that any use by Licensee or any User of Laserfiche Cloud, any Laserfiche Cloud Product Component, or the Services Environment, with Laserfiche Software licensed under this Agreement, is subject to the terms

and conditions of the Laserfiche Cloud Subscription Agreement. Use of Laserfiche Cloud by Licensee requires a written amendment to the Agreement signed by both parties.

4. Section 9.1, Confidentiality Restrictions, is hereby deleted in its entirety and replaced with the following:

9.1 Confidentiality Restrictions. Each party will use each other's Confidential Information only as permitted under this Agreement. Neither party will disclose the other party's Confidential Information during the term of this Agreement or at any time during the seven-year period following any termination of this Agreement unless required by applicable law. If the receiving party believes disclosure of Confidential Information is required by applicable law, it will not disclose such information without first giving the disclosing party at least 5 business days' notice in writing. Notwithstanding the foregoing, neither party shall be required to give notice if the disclosure is due to an investigative subpoena. Each party will take all reasonable measures to avoid disclosure, dissemination or unauthorized use of the other party's Confidential Information, including, at a minimum, those measures it takes to protect its own confidential information of a similar nature. Neither party will issue any press release or make any other public communication with respect to this Agreement or the use of Laserfiche Software without the other party's prior written authorization and approval of the content of the proposed statement or communication. Both parties agree that Licensee may include this EULA on council agendas that are publicly available on the City of Columbia's website. Notwithstanding the foregoing, each party shall maintain the confidentiality of any records which are considered closed records pursuant to state or federal law.

5. Section 10, Term and Termination, is hereby deleted in its entirety and replaced with the following:

10 Term and Termination. This EULA will remain effective until the expiration of the applicable license or Subscription term as set forth in the Order Form, unless terminated earlier in accordance with this EULA. Licensee may terminate the EULA at any time by returning or destroying all versions and copies of the Software and the Documentation in Licensee's possession or control. This EULA will immediately terminate if (i) Licensee breaches any of its terms or conditions, or (ii) if Licensee fails to pay any portion of the applicable license or Subscription fees and Licensee fails to cure that payment breach within 30 days of receipt of a written notice from us. Laserfiche may also terminate this Agreement upon written notice if Licensee commences or participates in any legal proceeding against Laserfiche. Upon termination of this EULA, you must immediately cease all use of the Software and the Documentation and return to Laserfiche or destroy all versions and copies of the Software and the Documentation in Licensee's possession or control. Licensee must remove and uninstall all Software programs and Documentation from all hard drives and other devices on which the Software or the Documentation may be found. The termination or expiration of this EULA will not terminate Licensee's obligations under this EULA, nor will it (i) release Licensee from the obligation to pay any monies that Licensee may owe Laserfiche for use of the software prior to termination or expiration; (ii) operate to discharge any liability that Licensee incurs before such termination or expiration; or (iii) waive any obligation which is intended to survive such termination or expiration. The rights and obligations of a party which by their nature must survive termination or expiration of this Agreement in order to achieve its fundamental purposes shall survive any termination or expiration of this EULA including, without limitation, the following Sections: 1 (Definition), 4 (Laserfiche Proprietary Rights and Licenses), 5 (License Restrictions), 8 (Third Party Materials), 9 (Confidentiality and Other Restrictions), 10 (Term and Termination), 11 (Indemnification), 12.2 (Exclusions), 12.3 (Disclaimer), 13 (Limitation of

Liability), 14 (Basis of Bargain), 16 (Audit Rights), and 17 (Miscellaneous) In the event of any actual or threatened breach of a party's confidentiality obligations under this EULA, the non-breaching party shall be entitled to seek injunctive relief, without the requirement to post any bond or other security, and such right shall be in addition to all rights available at law or in equity.

6. Section 11, Indemnification, of the EULA is hereby deleted in its entirety and replaced with the following:

11.1 LICENSEE HAS SOLE AND EXCLUSIVE RESPONSIBILITY FOR BACKING-UP LICENSEE'S DATA OR CONTENT OR THIRD PARTY DATA OR CONTENT IN HARD DRIVE, SYSTEM, STORAGE OR DEVICE OWNED OR OPERATED BY OR FOR LICENSEE (collectively, "Licensee Data") WHETHER OR NOT THE SOFTWARE INTERACTS WITH LICENSEE DATA. LASERFICHE WILL NOT BE RESPONSIBLE FOR ANY LOSS OF DATA OR CONTENT. Licensee hereby agrees to indemnify, defend and hold harmless Laserfiche, its affiliates and authorized resellers, and each of Laserfiche's, its affiliates' and authorized resellers' employees, officers, directors, shareholders, and agents (each, an "Indemnified Party"), from and against all claims, losses, liabilities, damages, fines, penalties, costs and expenses (including attorney's fees) arising from or relating to: (i) Licensee Data, including any loss of Licensee Data for any reason whatsoever; (ii) Licensee's or any User's actions, misuse of the Software, non-compliance with this EULA, or failure to operate the Software in accordance with this EULA; or (iii) Licensee's or any User's use of the Software including, without limitation, in violation of any applicable laws.

If Licensee is a government entity, the indemnification obligation in Section 11.1 above shall not apply. However, Licensee agrees that all other terms and conditions of this EULA shall apply to Licensee.

11.2 Notwithstanding anything stated to the contrary in the EULA, Laserfiche will indemnify Licensee against third-party claims for IP infringement on the following terms and conditions:

11.2.1 Indemnified Claim. Laserfiche will indemnify, defend, and hold harmless Licensee against any third party claim, suit, or proceeding against Licensee (an "Indemnified Claim") alleging that Laserfiche Software infringes any patent, copyright, trademark or other intellectual property right, provided that Licensee gives Laserfiche notice of such Indemnified Claim within 10 days of learning of it.

11.2.2 Litigation. Laserfiche will control the defense of any Indemnified Claim, including appeals, negotiations, and any settlement or compromise of it; *provided* Licensee will have the right to approve the terms of any settlement or compromise that restricts its rights or subjects it to any ongoing obligations.

11.2.3 Exclusions. Laserfiche's obligations set forth in Section 11.2.1 above do not apply if, or to the extent that, an Indemnified Claim arises out of (i) Licensee's use of Laserfiche Software after Laserfiche notifies Licensee to discontinue running it due to the risk of such a loss; or (ii) the combination of Laserfiche Software with a non-Laserfiche Software product, data, or business process that is not installed by, at the recommendation of, or with the approval of Laserfiche; or (iii) the modification, alteration, integration, or reconfiguration of Laserfiche Software, except when performed by, or at the recommendation or with the approval of, Laserfiche; or (iv) Licensee's use of the Software to perform a function or objective that Laserfiche has not warranted or that the Software is not designed to perform or accomplish, if and to the extent that the claim or loss arises from or is related to the Software's failure to

perform or accomplish such function or objective; (v) Licensee's breach of the License Requisition or the EULA; or (vi) any conduct, act or omission by non-Laserfiche employees that is not authorized or approved by Laserfiche, or any event that is beyond Laserfiche's reasonable control or management.

11.2.4. If Laserfiche is only partially responsible for, or the cause of, a loss for which Licensee demands indemnification under this Supplement, Laserfiche's obligation to indemnify and defend Licensee will be based on principles of comparative equitable indemnification. Therefore, the loss will be equitably apportioned to Laserfiche based on Laserfiche's proportionate share of responsibility for the total loss suffered by the injured party.

For purposes of this Section 11, all claims, damages, fines, penalties, losses, liabilities, costs, and expenses (including reasonable attorneys' fees and costs) suffered by any Indemnified Party arising out of or relating to any relevant third-party claim shall be deemed to be suffered by Laserfiche directly.

7. Section 17.1, Waiver, Severability, is hereby deleted in its entirety and replaced with the following:

17.1 Waiver, Severability. The failure of either party to exercise or enforce any right or provision of this Agreement will not constitute a waiver of such right or provision. All waivers by either Party must be in writing to be effective. If any provision of this EULA is for any reason held unenforceable or invalid, then this EULA will be construed as if such provision were not contained in this EULA. No course of performance, course of dealing, or usage of trade will override the written terms of this EULA.

8. Section 17.3, Modifications to the EULA, of the EULA is hereby deleted in its entirety and replaced with the following:

17.3 Modifications to the EULA. Any modification of this Agreement must be in writing and executed by both parties.

9. Section 17.7.1 of the EULA is hereby deleted in its entirety and replaced with the following:

17.7.1 We may give Licensee notice under this Agreement: (a) by personal delivery or overnight courier, such as FedEx or UPS; or (b) by registered or certified mail; or (c) if we have received an email address for Licensee as specified on the Order Form, then to such email address. Notices we provide by email or overnight courier will be effective on the second business day following receipt. Notices via registered or certified mail will be effective on the second business day following receipt. Notices via personal delivery will be effective when received.

10. Section 17.10, Assignment, of the EULA is hereby deleted in its entirety and replaced with the following:

17.10 Assignment. Neither this EULA, nor the rights or obligations arising under this EULA, are assignable by Licensee, and any such attempted assignment, novation, or transfer shall be void and without effect. We may assign, novate, or transfer this Agreement without Licensee's consent with written notice to Licensee. This EULA will be binding upon and inure to the benefit of the parties and respective successors and permitted assigns

11. Section 17.11, Construction, of the EULA is hereby deleted in its entirety and replaced with the following:

17.11 Construction. The headings of Sections of this EULA are for convenience and are not to be used in interpreting this EULA. As used in this EULA, the word “including” or “include(s)” means “including but not limited to.” Licensee agrees that this EULA will not be construed against Laserfiche by virtue of having drafted them. The official text of this EULA and any Order Form, amendment, or notice submitted hereunder, will be in English. The parties acknowledge that they require that this Agreement be drawn up in the English language only. In the event of any dispute concerning the construction or meaning of this Agreement, reference will be made only to this Agreement as written in English and not to any translation into another language.

12. Section 17.12, Electronic Conduct of Business, of the EULA is hereby deleted in its entirety and replaced with the following:

17.12 Electronic Conduct of Business. Each party agrees to transact business by electronic means, including but not limited to transmittal of notices and execution of additional documents, if any, related to this Agreement. Faxed signatures, or scanned and electronically transmitted signatures, on this Agreement or any notice delivered pursuant to this Agreement, shall be deemed to have the same legal effect as original signatures on this Agreement.

13. A new Section 17.13 is hereby added to the EULA as follows:

17.13 All obligations of the Licensee under this Agreement, which require the expenditure of funds, are conditional upon the availability of funds budgeted and appropriated for that purpose.

14. A new Section 17.14, No Waiver of Sovereign Immunity, is hereby added to the EULA as follows:

17.14 No Waiver of Sovereign Immunity. In no event shall the language of this Agreement constitute or be construed as a waiver or limitation for either Party’s rights or defenses with regard to each Party’s applicable sovereign, governmental, or official immunities and protections as provided by federal and state constitution or law.

15. A new Section 17.15, Background Checks, is hereby added to the EULA as follows:

17.15 Background Checks. If Laserfiche’s employees have access to either criminal justice information or access to information about the bulk electric system, background checks will be required.

This Supplement will terminate when the EULA is terminated in accordance with its terms. Except as expressly modified by this Supplement, all other terms and conditions of the EULA will remain in full force and effect. In event of conflict between the terms and conditions of this Supplement and the terms and conditions of the EULA, the terms and conditions set forth in this Supplement will prevail. Capitalized terms not otherwise defined herein shall have their respective meanings as set forth in the EULA.

[Remainder of Page Intentionally Left Blank]

With respect to Evaluation Products, except to the extent this Section modifies this EULA, all other provisions stand and remain unaltered. Licensee grants us and our Affiliates a worldwide, perpetual, irrevocable, transferable, royalty-free and fully-paid license to use and incorporate into, and distribute as a part of, Laserfiche Software or any other products, services or content, any Feedback that Licensee or any Users voluntarily provide to Laserfiche or its Affiliates. Laserfiche has no obligation to respond to Feedback or to incorporate Feedback into the Laserfiche Software. Notwithstanding anything in this Section, Laserfiche will not utilize such Feedback to imply endorsement by Licensee from such Feedback unless explicit consent for such purposes has been obtained from Licensee.

4.3 Collection and Use of Information

(a) Licensee acknowledges that Laserfiche may, directly or indirectly through the services of third parties, collect and store information regarding use of the Software and about equipment on which the Software is installed or through which it otherwise is accessed and used, through:

- (i) the provision of maintenance and support services; and
- (ii) security measures included in the Software.

(b) Licensee agrees that Laserfiche may use such information for any purpose related to any use of the Software by Licensee or on Licensee's equipment, including but not limited to:

- (i) improving the performance of the Software or developing updates; and
- (ii) verifying Licensee's compliance with the terms of this EULA and enforcing the Licensor's rights, including all Intellectual Property Rights in and to the Software.

Licensee acknowledges that any use by Licensee or any User of Laserfiche Cloud, any Laserfiche Cloud Product Component, or the Services Environment, with Laserfiche Software licensed under this Agreement, is subject to the terms and conditions of the Laserfiche Cloud Subscription Agreement.

5. License Restrictions. Unless expressly authorized by Laserfiche in writing, Licensee will not and Licensee will not allow any third party to: (a) unbundle, transfer, sublicense, or assign Licensee's rights under this License to any other person or entity; (b) modify, adapt or create derivative works of the Software or Documentation; (c) except to the extent explicitly permitted by applicable law notwithstanding this limitation, reverse engineer, decompile, decrypt, disassemble or otherwise attempt to derive the source code for the Software, except as provided in Section 15 below; (d) make the functionality of the Software available to third parties, whether as an application service provider, or on a rental, service bureau, timeshare, cloud service, hosted service, or other similar basis unless expressly authorized by Laserfiche in writing, such as for read-only access by public users who utilize an authorized read-only Public Portal connection; (e) Multiplex (as defined herein below) the Software; (f) remove, modify, or conceal any product identification, copyright, proprietary, intellectual property notices or other marks on or within the Software or Documentation; (g) directly or indirectly attempt to challenge the validity of the copyrights, trademarks, and trade secrets in the Software claimed by Laserfiche or its suppliers; or (h) conduct any benchmark tests of the Software or disclose to a third party the results of any benchmark test of the Software. Neither Laserfiche nor any of its suppliers are obligated to provide any services (including any updates or upgrades to the Laserfiche Product) under this Agreement. To "**Multiplex**" the Software occurs when Licensee or any User utilizes hardware, software, an automated process, or other technical means: (1) to pool connections, reroute information, or reduce the number of devices or users that directly access or use the Software; or (2) to permit access to more user connections than Licensee has purchased; or (3) to automatically, routinely, or systematically reallocate named user connections for the purpose of either reducing the number of named user connections Licensee requires, or avoiding the purchase of additional named user connections. The Laserfiche Software is not designed or intended for use in high risk activities or hazardous environments that require fail-safe performance where failure of the Laserfiche Software could lead to death, personal injury, or environmental or property damage. Laserfiche specifically disclaims any express or implied warranty of the suitability or performance of

Laserfiche Software for these types of activities.

6. **Usage Limitations.** Licensee agrees that Licensee will not use Laserfiche Software in violation of any usage limitations or guidelines applicable to the Laserfiche Software. An Order Form may include usage limitations such as, but not limited to, the maximum number of Users permitted to access Laserfiche Software (“**Subscription Usage Limits**”), and if Licensee exceeds any Subscription Usage Limit, Licensee agrees to pay the amount for any excess usage in accordance with Laserfiche’s applicable pricing and payment terms then in effect.

7. **Subscription Software**

7.1 **Subscription License.** Purchasing a “**Subscription License**” or “**Subscription**” to Laserfiche Software allows Licensee to Use such Software on a subscription basis. If Licensee purchases a Subscription License, subject to Licensee’s compliance with the terms and conditions of this EULA, Licensee may Use the Software covered by the Subscription (the “**Subscription Software**”) for the term of the Subscription set forth in the Order and subject to the Subscription Usage Limits set forth in the Order until the Subscription expires or is otherwise terminated. After the Subscription expires or is terminated, the Subscription Software will stop functioning entirely, and Licensee’s rights to Use the Subscription Software will terminate.

7.2 **Renewal of Subscription Term.** Unless otherwise terminated according to the terms of this EULA, the Subscription will automatically renew for the term set forth in Licensee’s invoice, unless (i) Licensee fails to pay the renewal Subscription fee as invoiced by us or (ii) Licensee gives Laserfiche written notice of Licensee’s intention not to renew the Subscription at least 45 days before the end of the then-current Subscription term. The renewal Subscription fee is due before the start of the renewal term. If Licensee does not notify us at least 45 days before the end of the then-current Subscription term that Licensee does not intend to renew the Subscription, Licensee will owe Laserfiche the renewal Subscription fee.

7.3 **Modification of Fees upon Renewal.** We may modify the Subscription fee by notifying Licensee at least 90 days before the end of the then-current Subscription term. The Subscription fee increase will take effect upon the start of the next Subscription term.
